

#### REMARKS

The above Amendments and these Remarks are in reply to the Office Action mailed August 11, 2006.

In the outstanding Office Action, the Examiner indicated that the previous Response was not fully responsive.

On August 31, 2006, Applicant's attorney participated in a telephone conference with Examiner Rick Chang. During that telephone conference, the Examiner stated that to fully respond to the Office Action, Applicant need only identify the claims that are to be examined.

In light of the previous restriction requirements, Applicant believes that the claims that should be currently examined are claims 52, 60-71, 73, 75, 76, 78, 80-83, 85, 86 and 88-90.

The Commissioner is authorized to charge any underpayment or credit any overpayment to Deposit Account No. 501826 for any matter in connection with this document, including any fee for extension of time, which may be requested.

Respectfully submitted,
